2. Each bidder shall before he is permitted to bid be required to furnish a solvency certificate as under the Tangadi Sale Rules and deposit a sum of Rs. 50 (rupees fifty) as earnest money with the officer conducting the sale; the deposit will be returnable to him at the close of the sale if his bid is not accepted. The person whose bid is accepted shall immediately after the close of the sale pay 25 per cent of the bid amount less the deposit already paid, failing which, the right will be resold or worked departmentally at the risk of the defaulting bidder. He will be liable for the loss, if any, that may result by such resale or departmental working which will be recoverable from him as arrears of Land Revenue, but he shall not participate in any gain.

3. Defaulters to the department will not be allowed to bid at the sale.

4. All timber yielding trees marked by the department will be sold kindvar for a lump-sum amount for the whole coupe.

5. Power is reserved to the Range Forest Officer to accept or reject any bid without assigning any reason therefor.

6. Within a week from the date of intimation regarding the confirmation of the sale the person whose bid is accepted, shall deposit a sum of Rs. 50 (fifty) or 25 per cent of the sale amount whichever is less for each coupe as security towards the due fulfilment of his contract. He shall also pay within that period the remaining 75 per cent of the contract amount due by him and shall execute an agreement, on a stamped paper of proper value, accepting the above terms and the terms specified below, failing which, the amount already paid will be forfeited to Government and the produce resold or worked departmentally at his risk as noted in clause (2) *supra*. The security deposit or the balance thereof as may remain over shall be repayable to the contractor on his producing proof relieving him of any liability under the contract.

The following are the further conditions to which the contractor should bind himself :—

(*a*) That he shall fell and remove the timber trees purchased by him before the 15th June 1931.

(b) That he shall make the fellings of the trees in a methodical manner from one side of the coupe.

(*c*) That each consignment of timber shall be covered by a passport issued by the Range Officer or any other officer deputed by the District Forest Officer in this behalf.

(*d*) That if any tree, shrub, or growth reserved by the department is cut, he shall pay a fine not exceeding Rs. 10 per tree.

(*e*) That he shall abide by the rules of the department as regards the kindling of the fire and shall hold himself responsible for any forest offences committed by his agents, employees or workmen.

(*f*) That no operation shall take place in the forest after sunset and before sunrise.

(*g*) That he shall not sublet the contract to anybody except with the written sanction of the District Forest Officer.

(*h*) That he shall have no right whatsoever over the coupe and over the timber paid for but left unremoved in any of the coupes, after 30th June 1931.

(*i*) That he shall maintain a register in the form prescribed by the District Forest Officer showing the number of trees felled and the outturn of fuel resulting therefrom and shall keep it open for the examination of the Forest Officers above the grade of guards.

(*j*) That for any breach of any of the conditions of the contract by the contractor or his agents, the contract shall be void at the option of the District Forest Officer and that the latter may, after issuing the contractor a notice of the cancellation of the contract enforce forfeiture of all or any part of the deposit and shall resell the right or work it departmentally at the risk of the contractor as in clause (2) *supra*. If the deposit or part thereof is so forfeited, it shall be immediately made good by the contractor.

MAHOMED PIR,
District Forest Officer.

ENGINEERING DEPARTMENT.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notification dated 27th September 1930.

Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer, Bangalore, up to 2 P.M. on 31st October 1930, for constructing:

1. A Transformer Station,
2. A combined Office and Stores,
3. Four blocks of Operators' quarters,
4. Three blocks of cooly quarters,
5. Seven blocks of latrines,

at Chikballapur Town.

1. The tenders will be opened in public at 2 P.M., on 31st October 1930. The work [illegible] within 6 months and the monthly progress should be not less than

2. The quantities given are approximate and the plans, detailed estimates and the conditions may be seen at the Chief Electrical Engineer's Office, Bangalore, on all working days during the office working hours.

3. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed. The rates should be in figures as well as in words.

4. Each tender must be accompanied by a deposit of Rs. 600 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tenders for constructing Electrical buildings at Chikballapur Town" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender. The Chief Electrical Engineer also reserves the right to accept or reject any portion of the tender.

6. Within eight days of the award of the tender, the successful tenderer will be required to execute the usual contract bond; in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful tenderer, will be posted on the notice board in the Chief Electrical Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders, will be returned.

9. The construction work should be started within a week from the date of the notification of the acceptance.

10. Water for construction should be got at the contractor's own expense.

11. Specifications for works are those recognised by the Mysore Public Works Department and Marryot's specifications.

12. The contractor should be bound by the conditions of the Schedule of contract of the Electrical Department.

Statement showing the approximate quantities of work for constructing a Transforme Station.
